## TO PROVIDE FOR PAYMENT OF PRINTING CERTAIN LAWS

Mr. Burns offered the following resolution:

H. C. R. No. 24, To provide for the payment of the printing of certain laws.

Whereas, In March, 1933, the State Board of Control, in compliance with law, let a contract to the Hicks-Gaston Printing Company of Dallas, Texas, for the printing and binding of the General and Special Laws of the Forty-third Legislature at its Regular and all Special Sessions; and

Whereas, In compliance with said contract, said Hicks-Gaston Printing Company has printed and bound the Laws of the Second Called Session of the Forty-third Legislature, and same have been delivered and distributed to the proper officers; and

Whereas, The appropriation to pay for said printing and binding was included in the General Appropriation Bill, which was killed in the closing hours of the said Second Called Ses-

sion of said Forty-third Legislature, because of the lack of a quorum in the House of Representatives; and

Whereas, There is now legally due the said Hicks-Gaston Printing Company the sum of about \$1,575 for the printing and binding of said laws, in accordance with the terms of its contract with the State Board of Control; and

Whereas, The sum of \$11,000 has been appropriated for the year ending August 31, 1935, to pay for the compiling, editing, indexing, printing, binding, and distributing of the General and Special Laws, which is sufficient to pay the amount due said Hicks-Gaston Printing Company and to pay for such compiling, editing, indexing, printing, binding, and distributing the General and Special Laws of the present Special Called Session of the Legislature, as well as the next Regular Session of the Forty-fourth Legislature; now, therefore, be it

Resolved by the House of Representatives, with the Senate concurring, That the sum of \$1,575, or so much thereof as may be needed for said purpose of said \$11,000 appropriation above mentioned, appropriated for the year ending August 31, 1935, as set out on page 502 of the General Laws of the State of Texas, as passed by the Forty-third Legislature at its Regular Session, be authorized to be used for the payment of said printing and binding bill now due by the State of Texas to said Hicks-Gaston Printing Company.

The resolution was read second time, and was adopted.

## TO PROVIDE FOR A COMMITTEE IN REGARD TO OIL TAX LAWS

Mr. Daniel offered the following resolution:

H. C. R. No. 25, To provide for the appointment of a committee to study oil, gas, and mineral tax laws.

Whereas, There exists today no uniformity in the taxation of oil production among the several oil producing States; and

Whereas, The production of oil in this country has now reached the total of more than two million (2,000,000) barrels per day; and

Whereas, The State of Texas is now producing more than one million (1,000,000) barrels of oil per day, being forty-six per cent (46%) of the total Nation's production; and

Whereas, More than eighty per

cent (80%) of the oil produced in this State leaves the borders of Texas and is bought by foreign countries and non-oil producing States, therefore making the burden, if any, of a production tax fall largely upon consumers outside of Texas; and

Whereas, The State of Texas is receiving less than seven million dollars (\$7,000,000) per year in revenue from this production of wealth amounting to nearly four hundred million dollars (\$400,000,000) per year; and

Whereas, If the State of Texas, or any other oil-producing State, should raise the production tax on oil to any great extent, it would tend to cause producers of oil to discriminate against such State in the amount of production and further exploration; and

Whereas, There is a prevailing sentiment in Texas that the State Government and the Permanent School Fund should receive a larger share in the enormous wealth brought about by our rich oil and gas resources; now, therefore, be it

Resolved by the House of Representatives of the State of Texas, the Senate concurring, That a committee, entitled a Committee to Study Oil, Gas and Mineral Tax Laws, being the same as hereby created, consisting of five (5) Members, three (3) Members of the House of Representatives, to be appointed by the Speaker, and two (2) Members of the Senate, to be appointed by the Lieutenant Governor; that this committee, being the same as is hereby authorized, meet with similar committees from the States of Oklahoma, California, Arkansas, Louisiana, and Kansas, at such place and at such time as the committee shall desire; that the expenses of said committee shall not exceed five hundred dollars (\$500), to be paid out of the Contingent Expense Fund of the Forty-third Legislature; that the Legislatures of the various States affected be invited to send similar committees to meet with said committee in the City of Dallas, at a date as early as possible, to study and consider all oil and gas production tax laws of the various States, and discuss and confer concerning the recommendations back to the various Legislatures of a uniformity in tax laws concerning the oil, gas and mining industry of said States; that the Governor, tax commissioners, or the taxing authority, and the regulatory commissions of the several States affected

be invited to confer with said committees, and said recommendations as they deem advisable.

The resolution was read second time.

Mr. Alsup offered the following amendment to the resolution:

Amend resolution by providing that expenses shall be paid out of Contingent Expenses of the Third Called Session of Forty-third Legislature.

The amendment was adopted.

The resolution as amended was then adopted.

## SENATE BILL NO. 36 ON SECOND READING

On motion of Mr. Fain, by unanimous consent, the regular order of business was suspended to take up and have placed on its second reading and passage to third reading,

S. B. No. 36, A bill to be entitled "An Act to amend Chapter 6, Article 2092, of the Revised Civil Statutes pertaining to certain district court rules, practice, and procedure thereunder, by adding to said Article Subdivision 18-a, Sections 1 and 2, and inserting same between Divisions 18 and 19, and for the appointment of an assignment clerk to serve under the presiding judge in setting and disposing of civil cases on the general jury docket; fixing the duties and salary of such assignment clerk and providing a method of payment, term of office, and dismissal thereof, and declaring an emergency."

The Speaker laid the bill before the House, and it was read second time.

Mr. Reed of Dallas offered the following amendment to the bill:

Amend Senate Bill No. 36 by striking out all below the enacting clause and inserting in lieu thereof the following:

"Section 1. In all counties having a population of more than three hun-

dred thousand inhabitants and less than three hundred and fifty thousand inhabitants, according to the preceding Federal Census, a majority of the district judges of the district courts with civil jurisdiction only, may appoint an assignment clerk to serve under the presiding judge of said district courts in the setting and disposing of cases on the general jury docket. The salary of said clerk shall be fixed by the commissioners court of the county and paid in monthly installments on voucher approved by the presiding judge of said courts. His appointment shall be for a term of two years, but he shall be subject to dismissal by a majority of said judges for inefficiency or misconduct.

"Sec. 2. The fact that there is now no adequate provisions in law for the appointment of an assignment clerk to aid the district judges with civil jurisdiction only in the handling of general docket in counties affected by this Act, creates an imperative public necessity that the constitutional rule, requiring bills to be read on three separate days, be suspended, and the same is hereby suspended, and this Act shall take effect from and after its passage, and it is so enacted."

The amendment was adopted.

By unanimous consent of the House, the caption of the bill was ordered amended to conform to all changes, and to the body of the bill.

Senate Bill No. 36 was then passed to third reading.

#### SENATE BILL NO. 36 ON THIRD READING

(Mrs. Hughes in the Chair.)

The amendment was adopted.

Mr. Good offered the following amendment to the bill:

The amendment was adopted.

Mr. Good offered the following amendment to the bill:

Amend Senate Bill No. 21, page 3, Section 2, line 30, by inserting after the words "or of this Act" the following: "or any person, firm, corporation, joint stock association, or any officer, agent or employe thereof, being the owner of any royalty interest or oil payment who shall permit or acquiesce in such violation."

D. They shall bear interest at the rate to be fixed by the Texas Bond Commission not to exceed four and one-fourth (4½) per cent per annum, payable semi-annually on April 15th and October 15th of each year, the first interest being due and payable on April 15, 1935.

E. The principal and interest shall be payable on the maturity dates thereof in lawful money of the United States of America in such funds as on the respective maturity dates shall be legal tender for debts due to the United States of America upon presentation and surrender of bonds or proper coupons at the office of the Treasurer of the State of Texas, at Austin, Texas.

This provision shall take precedence over all laws and parts of laws in conflict herewith, and all laws and parts of laws in conflict with this provision are hereby repealed to the extent of such conflict.

H. Said bonds shall be approved as to form and validity by the Attorney General of the State of Texas, and each of said bonds shall be signed by the Governor, attested by the Secretary of State, under the seal of the State of Texas, and registered by the State Comptroller of Public Accounts, and the lithographing of the facsimile signatures of such officers on the coupons shall be sufficient for such purpose.

I. It shall be the duty of said officer to keep a record of said bonds so deposited with him in a special book procured and kept for that purpose. Said bonds shall be subject to registration in the name of the holder as to principal, on books kept for that purpose in the office of the Comptroller of Public Accounts, as evidenced by the endorsement upon the back thereof, and after such registration the principal thereof shall be payable only to the registered owner, his legal representatives or assigns. After being registered such bonds may again be made payable to bearer by endorsement thereon, and such bonds shall continue subject to registration and to payment to bearer at the option of the holder. The coupons attached to said bonds shall be and continue payable to bearer.

Sec. 2. The Texas Relief Bonds,

herein issued, shall be sold by the Texas Bond Commission, heretofore created by Chapter 37, Acts of the First Called Session of the Forty-third Legislature, in the following manner:

The State Board of Control shall make application to the Texas Bond Commission for the sale of such part of said six million dollars (\$6,000,000) of bonds as, in its judgment, is needed to procure State money necessary for the relief of the unemployed and needy, and upon the filing of said application, said Texas Bond Commission shall sell the amount of bonds so requested by the State Board of Control. Upon further application of the State Board of Control, said Texas Bond Commission is hereby directed to sell additional bonds in the amount so applied for. Upon the sale by the Texas Bond Commission of any part of the six million dollars (\$6,000,000) of Texas Relief Bonds, as herein provided for, the said Bond Commission shall by order provide that said installment of bonds shall mature over a period of nine (9) years, beginning with October 15, 1935, and shall mature approximately in the same proportions as set out in subsection "C" of Section 1 hereof. The order of the Bond Commission designating the maturities shall be entered upon the minutes of the Commission. In no event shall the total amount of the bonds sold under authority of this Act exceed a total principal amount of six million dollars (\$6,000,000). No bond, as provided for hereunder, shall be sold from and after the twenty-sixth day of August, 1935. It is further provided that no officer, or officers, board, commission, or any person whatever, shall borrow from any government, or from any source, or permit advances of any amount whatsoever, for any of the purposes stated in Section 51-a, Article III, of the Constitution, in anticipation of the future issuance of bonds, and any such loan or advance shall be void, and shall create no obligation against the State of Texas, and any officer of the State of Texas or any officer or member of any board or commission of the State of Texas participating in such attempted loan or advance shall be guilty of high crimes and misdemeanors.

Sec. 3. The bonds authorized to be sold by this Act shall be sold by

the Texas Bond Commission at a time and place to be designated by the Bond Commission, and, after advertisement, published in three (3) newspapers of general public circulation in the State of Texas, which publication shall be made once, at least one week prior to the day fixed for the sale of the bonds, the advertisements specifying date, amount, and maturities of the bonds, the rate of interest, and such other provisions as the said Commission may deem proper, provided that the notice of sale shall contain proper provisions offering said bonds on bases of different and various rates of interest, none of which shall exceed a rate of four and one-fourth per cent (4½%) per annum. Said Commission may in its discretion publish a similar advertisement in one newspaper of general circulation outside the State of Texas. Offers for said bonds shall be made upon sealed bids filed with the Secretary of said Bond Commission and accompanied by such earnest payment as the Bond Commission may direct; the said Bond Commission shall reserve the right to reject all bids, but in the event a bid is accepted, the State Treasurer, on order of the Texas Bond Commission, is directed to deliver said bonds to the purchasers when he shall have received, for credit of the State of Texas, current funds of the United States in the amount of the accepted bid for said bonds, which shall in no event be less than par and accrued interest. In the event bids are not received for the purchase of all or any part of said offer of bonds or in the event the Bond Commission rejects all bids for any or all of said offer of bonds, said Commission may readvertise said bonds as above provided, or may in its discretion proceed to sell at private sale all or any part of same to the Reconstruction Finance Corporation, or to any other governmental agency, or to any person, firm, or corporation for cash, and in such manner as shall be provided for by the Bond Commission, provided, however, that none of said bonds shall be sold for a price less than the par value thereof and accrued interest thereon. No commission, directly or indirectly, shall be allowed upon the sale of said bonds or any of them.

The funds other than accrued interest and or premiums received from the sale of said bonds shall be credited by the State Treasurer to the "Relief

Bond Fund." Any amounts received as accrued interest and/or premiums from the sale of said bonds shall be placed to the credit of a fund designated as "The Texas Relief Bond Sinking Fund, Third Series." Both of said funds shall be deposited in accordance with the depository laws of the State of Texas for the deposit of other State Funds.

Sec. 4. Texas Relief Bonds, Third Series, shall be redeemed and retired in the following manner:

In obedience to Section 51-a, of Article III, of the Constitution, which places upon the Legislature the duty to make such appropriations as are necessary to pay the interest and principal of such bonds as the same become due, there is hereby appropriated out of all revenues received from all sources except from taxes on real property, for each and every year that any Texas Relief Bonds, Third Series, are outstanding, a sum sufficient to pay the principal and interest on such bonds as the same becomes due. From and after the effective date of this Act and until all Texas Relief Bonds, Third Series, have been retired, the Treasurer of the State of Texas, as he receives any and all moneys (from sources other than taxes on real property) for the use and benefit of, and which under the present law would go to the General Revenue Fund of the State shall first, before such moneys go into the General Revenue Fund, annually set up out of such moneys a special and separate fund in anticipation of and sufficient to meet all interest and maturity requirements on said bonds for the fiscal year next succeeding, which said fund shall be deposited to the credit of "Texas Relief Bonds Sinking Fund, Third Series." In event the revenues thus received by the Treasurer shall be insufficient to meet said anticipated maturities of principal and interest, there is hereby appropriated from revenues received from all sources other than from taxes on real property, not otherwise specifically appropriated by the Constitution, sufficient money to meet said anticipated maturities of principal and interest, and the Treasurer is hereby ordered to place said additional moneys in said Sinking Fund. Said Texas Relief Bonds Sinking Fund, Third Series, shall be kept by said State Treasurer as a separate fund out of which the interest on said Texas Relief Bonds,

Third Series, shall be paid, and out of which said bonds shall be redeemed and retired as they become due, and the same is hereby appropriated for each and every year while such bonds, or any of them, are outstanding, for the purpose of paying the interest and principal of said bonds as the same becomes due; it being the intention of the Legislature, and the Legislature hereby does set apart, preserve and appropriate an adequate fund to pay off and discharge the principal and interest of said bonds as and when the same become due and payable.

Sec. 5. All duties imposed on the Treasurer in Section 4 hereof in reference to the "Texas Relief Bonds, Third Series," and the appropriation made to pay the principal and interest thereof, are likewise effective as to "Texas Relief Bonds, First Series" and "Texas Relief Bonds, Second Series." The State Treasurer is hereby directed to pay the interest and principal of said Texas Relief Bonds, First, Second, and Third Series, as and when the same become due.

Sec. 6. If, on the twenty-sixth day of August, A. D. 1935, any of the bonds which have been authorized herein have not been sold, it shall be the duty of the State Treasurer, in the presence of the other two members of the Bond Commission, to destroy by burning any unsold bonds and all interest coupons appended thereto. After said bonds shall have been destroyed by burning, as above provided, it shall be the duty of said members of said Commission to make a certificate in writing to the effect that said bonds were destroyed in accordance with the provisions of this law, giving the date on which said bonds were so destroyed by the State Treasurer, and file said certificate in the office of the Secretary of State of the State of Texas. As the bonds mature and are paid they shall be forthwith destroyed and report thereon filed in like manner.

Sec. 7. If, at the time the State Board of Control ceases to administer the duties imposed by this Act, there shall remain with the State Treasurer any sums of money which have been derived from the sale of any of said bonds it shall be the duty of said State Treasurer to transfer said money out of said special account to the "Texas Relief Bond Sinking Fund, Third Series."

Sec. 8. Any owner or holder of any of the bonds herein issued, in the event default in the payment of said bonds, or of any interest payment thereon, shall have and is hereby granted the right to institute a suit, or suits, against the State of Texas in any court of competent jurisdiction in Travis County, Texas, for the purpose of enforcing payment thereof. Service of the process on the Attorney General shall be sufficient in any such suit against the State.

Sec. 9. The proceeds of the sale of any and all bonds sold under the provisions of this Act are hereby appropriated to the State Board of Control for the purpose and subject to the restrictions as set forth in this Act.

Sec. 10. Out of the fund herein appropriated there shall be paid the expense for printing, lithographing and/or engraving the bonds, and the signing of same as well as all expenses incident to the sale thereof and the purchase of the books and supplies incident to keeping the record therefor.

Sec. 11. Provided that the Texas Bond Commission and the State Board of Control is prohibited from selling and/or expending more than one million dollars (\$1,000,000) per month for the months of October, November, and December, 1934, and one million five hundred thousand dollars (\$1,500,000) per month during the months of January and February, 1935, out of funds herein provided. Provided further that any and all of such sums of money not expended during the month for which allocated, such funds saved may be expended by the State Board of Control during any succeeding month or months.

Sec. 12. The Texas Relief Commission as created by Chapter 37, Acts of the First Called Session of the Forty-third Legislature of Texas, shall be and the same is hereby abolished, set aside and shall be held for naught, and in lieu thereof and to take its place in the administration of relief funds obtained by either the sale of State bonds or Federal funds or from any other source, the distribution, regulation and disposal of any of said funds shall be placed in the hands of the State Board of Control and it shall have direct supervision of the said funds, their allocation, and distribution to the different

counties, political subdivision and individuals in this State. It shall succeed to and is hereby granted all the powers and privileges granted to such Texas Relief Commission, and is hereby charged with the duties heretofore imposed by law upon such Commission, and all of said powers privileges and duties shall be and the same are hereby imposed upon the State Board of Control. The Texas Relief Commission shall be an additional subdivision of the State Board of Control and shall be separate and apart from the other divisions of its work for the administration of the additional duties prescribed by this Act. The State Board of Control shall appoint a Chief of the Texas Relief Commission Division, who shall be a citizen of this State and who shall be known as the Director of the Texas Relief Commission Division of the State Board of Control, and whose qualifications shall be such as in the opinion of the State Board of Control, regardless of previous experience, qualify him to perform the duties as prescribed by law and see that the laws of the State affecting relief are enforced, and the Board of Control shall also appoint an Assistant Director, a secretary and an Auditor for the Division. All of the above named employes shall be placed under a bond in the amount of \$25,000 each, conditioned for the faithful performance of their duties. All premiums shall be payable out of relief funds. Said bond shall be approved as to form by the Attorney General and as to solvency by the Board of Insurance Commissioners.

Sec. 13. The Board of Control shall provide for such other employes as it may from time to time determine necessary, and the Director of the Relief Commission Division of the Board of Control, under the orders of the Board of Control, shall have the power to hire such necessary assistants as such Board of Control shall deem proper; and shall have supervision and control over all county boards of relief throughout the State, and shall do all and everything deemed proper and necessary in order to furnish needed relief to such persons as may be entitled thereto in this State in conformity with the provisions of this Act and other laws not in conflict therewith.

Sec. 14. Each member of the Board of Control shall receive, in addition to the salary now provided by law,

the sum of one thousand two hundred dollars (\$1,200) per year payable in the same manner as their present compensation is paid, out of the funds herein provided for, as well as the necessary traveling and other expenses of such members and employes of the Relief Commission Division of the Board of Control, but only for so long a time as there may be funds available from the herein provided for funds, and relief therefrom is being administered in this State.

The Board of Control shall pay the employes herein provided for such amounts as compensation as the said Board may deem just and proper and may hire and discharge such employes from time to time as they may deem best for the interest of the people of this State. The funds derived from the sale of the bonds herein issued and all other funds obtained, except as herein specifically provided, shall be administered by the State Board of Control, in the same manner and for the same purposes as provided in Chapter 37, Acts of the First Called Session of the Forty-third Legislature and in Chapter 15, Acts of the Second Called Session of the Forty-third Legislature, provided the Board of Control as herein composed shall be in lieu of the Texas Relief Commission and the Director and Assistant Director created and composed under the provisions and authority of said Chapter 37, Acts of the First Called Session of the Forty-third Legislature and said Chapter 15, Acts of the Second Called Session of the Forty-third Legislature and the salaries and expenses provided in said Acts to be paid to the members of said original Texas Relief Commission and said Director and Assistant Director shall cease when this Act becomes effective.

Sec. 15. County relief boards are hereby created in each county and shall consist of five members. The members of these county boards shall be appointed by the Board of Control, and their duties shall be in an advisory capacity and shall not be administrative. Upon their selection by the Board of Control they shall be promptly notified by the Secretary of said Relief Commission Division and shall meet from time to time upon call of the chairman and advise with the county administrator in all matters pertaining to county relief. County boards shall serve without compensation. Provided that in all

counties of the State in which there is located a city with a population of 100,000 or more, according to the last preceding Federal Census, such county relief board shall consist of seven members.

The members of the present county relief boards shall continue to act in the capacity above outlined until a new board is appointed as above set forth. In case of removal, failure to qualify, resignation, or death of any member of any county board, his successor shall be appointed in the same manner as herein provided.

County administrators and other necessary employes for carrying on relief in the several counties shall be appointed by the State Board of Control. The salaries of all such employes shall be fixed by the State Board of Control. Said county administrators and their employes shall be subject to removal by the State Board of Control.

Where practicable, the State Board of Control may authorize the employment of a county administrator to act as administrator for two or more counties and to set up such rules and regulations which will administer relief efficiently under such arrangement.

Sec. 16. Upon the passage of this Act, the Board of Control may utilize the present set-up throughout its entirety for a sufficient length of time until they can organize the Texas Relief Commission Division as contemplated herein, and shall have the power to utilize the whole force, organization, and general set-up of the Texas Relief Commission as it existed prior to the passage of this Act, until they can organize such Division of said Board of Control.

Sec. 17. The Board of Control shall be expressly charged with the proper administration of the funds provided for in this Act and of the relief problems arising thereunder and shall dispose of all property and equipment heretofore and hereafter purchased for use in distributing relief funds and in the administration of this Act and expend the proceeds therefrom as herein provided, and this Act and said Chapter 37, Acts of the First Called Session of the Forty-third Legislature, and said Chapter 15, Acts of the Second Called Session of the Forty-third Legislature, shall in all respects, save as to the provisions for the payment of said bonds, cease, and shall be in all respects re-

pealed and become null and void as of May 1, 1935; provided, however, that the agencies charged with the duty of expending Federal funds in the State of Texas may direct the expenditure of said Federal funds through the State Board of Control and the set-up herein authorized, but without expense or obligation on the part of the State of Texas. Only those who are bona fide resident citizens of the State of Texas shall be employed to perform any of the functions hereby authorized. Said Board of Control shall adopt strict rules and regulations to be faithfully observed by case workers to the end that those who can obtain work or provide at least a part of their keep shall do so under penalty of permanent removal from any and all classes of relief; and a list of the names of all persons receiving relief hereunder shall be open for inspection as other public records.

Sec. 18. The county relief boards, acting with the commissioners court of the county or with the governing body of any municipal or quasi-municipal corporation or other political subdivision of the county are authorized to formulate plans and specifications for the construction of such lateral roads or other work projects as may be needed in said county, providing the construction of same will be feasible and practicable from the standpoint of utilizing labor of unemployed persons in said county; provided that at least 35% of the funds allocated to any county shall be expended on the construction, repair or maintenance of lateral roads of other work projects. In setting up work projects in each county the same consideration shall be given to unemployed women as to men. In projects in which the majority of persons employed are women, the provisions allowing 80% of the funds to be applied to labor, may be altered for the purpose of obtaining material, supplies and equipment, according to the judgment of the State Board of Control. All projects for which relief funds are to be expended shall be submitted to and approved by the Board of Control. The applications to the Board of Control shall contain such data as is necessary to show the details of the project undertaken and shall be accompanied by plans and specifications showing the way and manner in which work is to be performed. Before any application is approved, it

shall be made to appear to the State Board of Control that the following essential facts shall exist, to-wit:

(1) That the project presents a practical opportunity to provide work for unemployed people of the county or political or other subdivisions making the application; and at least eighty per cent (80%) of the funds for such project will be used for labor.

(2) That the project can be constructed with local unemployed labor eligible for employment on relief projects.

(3) That the project will not require the expenditure of an inequitable portion of the relief funds when compared with the needs of the whole State and the amount of money available for relief work and relief purposes.

(4) That the project could not be accomplished as a public work project on account of the demonstrated inability of the county, municipality or other political subdivision concerned to finance its part of the project.

If a county, municipal, or quasi-municipal corporation, or other political subdivision of the county is allotted funds for the relief of those eligible to be placed on relief rolls and to be employed in the construction, repair or maintenance of lateral roads or any other public project, then and in that event, said commissioners court or the governing body of such municipality, quasi-municipal or other political subdivision of the county shall have the direct supervision and control of the expenditures of such funds allotted to it, subject, however, to such rules and regulations as may be prescribed by the Board of Control; and in the expenditures of such funds the commissioners court or other governing body may act free from the county board in all matters except as to the employment of labor which shall be supplied by the county administrator. At least eighty per cent (80%) of the State funds granted by this section shall be used for the purpose of paying for labor of unemployed persons eligible for relief and an amount not to exceed twenty per cent (20%) of the funds granted by this section for each project may be available for the purpose of procuring materials, tools, equipment and supplies and or for other purposes.

Sec. 19. The Board of Control shall

have the right, power and authority to allocate a part of the funds derived from the sale of the bonds herein authorized toward furnishing material and labor of persons on the relief roll to aid cities and counties in making additions to hospitals which have heretofore been dedicated to charity and which, under instruments of dedication, the city or county is expressly authorized to exercise exclusive care and control over the building and hospital facilities to be so constructed; provided, however, that in no event shall any such funds be used to aid in the construction of or as an addition to any hospital, either private or public, which is to be operated for profit. All such funds so allocated to the city or county for such purposes to be chargeable to the funds allocated to such city or county.

Sec. 20. The Board of Control is directed to make a report and recommendation to the Regular Session of the Forty-fourth Legislature on or before March 15, 1935, as to the permanent rehabilitation of persons on the relief rolls of the State of Texas.

Sec. 21. The county administrator may place persons temporarily upon the relief rolls of his county if the necessity creates an emergency.

Sec. 22. Any case worker, county administrator, or other employee engaged under the provisions of this Act who shall engage himself in the political interest of any candidate or who shall attempt to influence any voter on any political issue, shall be immediately discharged upon being proved guilty of such activity and shall never again be the beneficiary of the funds authorized by this Act, either as an employee or as a relief subject.

Sec. 23. If and when it has been shown that employment at the prevailing wage scale of the county has been offered a person who is physically able to work who is upon the relief rolls and that said person has refused to accept such employment at the prevailing wage scale, it shall then be the duty of the county administrator to refuse further relief to said person and, in addition thereto, shall notify the State Board of Control of the name, address, and circumstances of such case.

Sec. 24. The Board of Control is hereby directed to seek the cooperation of the Federal Relief Agency so that changes may be pro-

cured in the Federal rules and regulations applicable to the expenditure of Federal funds and funds expended and contributed to jointly by this State and the Federal Government; said changes to be procured so that the relief funds can be more economically and judiciously expended, and so that the relief program will not hamper the recovery of the farming, ranching and industrial activities of this State.

Sec. 25. The Board of Control is hereby directed to use two and one-half per cent (2½%), or so much thereof as may be necessary, of the proceeds of the Texas Relief Bonds herein authorized for the payment of hospital services, and such services shall be available to persons who are eligible for relief under the terms of this Act, in need of hospital services and who are unable to bear such expense. Provided, however, that the amount authorized to be expended for such purposes shall not exceed two dollars and fifty cents (\$2.50) per day per patient. Such hospitalization shall be authorized only in cases where special care is essential to the preservation of life and health, and the same cannot be otherwise adequately secured. And provided further, that the provisions of this section shall not apply to cities and counties having, owning or operating county or municipally supported hospitals.

Sec. 26. Sec. 35. Any person or persons who shall knowingly make any false statement or misrepresentation in order to procure any sum or sums of money or other relief provided by this Act, or secure any relief or funds under any other than his true name, shall be deemed guilty of a misdemeanor, and shall, upon conviction, be punished by a fine of not less than ten dollars nor more than fifty dollars or be confined in the county jail for a period of not exceeding three months, or by both such fine and jail sentence.

under oath, as above provided, shall be deemed guilty of a felony, and upon conviction shall be punished by confinement in the penitentiary not less than two years nor more than five years.

Sec. 37. The State Board of Control is hereby authorized to co-operate with other agencies and/or departments of the State Government in formulating plans for other feasible work relief projects. Sec. 40. If any section, clause, or sentence in this Act should ever be

held to be unconstitutional, such holding shall not affect the remaining portions hereof.

Sec. 41. The fact that the relief funds provided through the passage of this Act and the issuance and sale of bonds thereunder, is of vital importance to the State of Texas and the people thereof creates an emergency and an imperative public necessity that the constitutional rule, requiring bills to be read on three separate days in each House, be, and the same is hereby, suspended, that this Act shall be effective immediately from and after its passage, and it is so enacted.
